■ Belle is an expressive modular sectional featuring an overstuffed form and tufted channels inspired by 1970's European design.

Statement of Line

West Elm Work Belle is a modular sectional, that boasts beauty and brawn. Inspired by deco-era design and expertly tailored, its seat and wide channeled back stands up to commercial wear and tear. Better yet: it's totally modular, able to adapt to the layout of your space. Designed by West Elm. Made by Steelcase.

The seat and back can be upholstered in your choice of Designtex + West Elm fabric.

Boardwalk

- East meets West in the design of our modular Boardwalk system. Pillow-like cushion seats inspired by Japanese zaisu sit on a simple platform with natural wood detailing—a nod to 1960s California residential design.

- In a celebration of minimalism, Boardwalk offers a respite within an office landscape and configures to provide seating, table surfaces and power access tailored to your space.
